Dear Imperial College London,

I have completed my PhD thesis at Imperial College London entitled 'The Development Modelling Tools for Railway Switches and Crossings'.

I seek your permission to reprint, in my thesis a figure from:

**R. Balcombe (2012) A study of rolling contact fatigue cracks in lubricated contacts. Imperial College London Report.**

The figure to be reproduced is:

I would like to include the figure within the printed examination copy of my thesis and also the electronic version which will be added to Spiral, Imperial's online repository <http://spiral.imperial.ac.uk/> and made available to the public under a [Creative Commons Attribution-NonCommercial-NoDerivs licence](#).

If you are happy to grant me all the permissions requested, please return a signed copy of this letter. If you wish to grant only some of the permissions requested, please list these and then sign.

Yours sincerely,

Ian Coleman

**Permission granted for the use requested above:**

I confirm that I am the copyright holder of the figure above and hereby give permission to include it in the print and electronic version of your thesis. I understand that the electronic version of the thesis will be made available, via the internet, for non-commercial purposes under the terms of the user licence.
