In Table 1 of this article, the equation $\omega = 20{-}90^{\circ}$ was incorrect and should have been $\omega = 2\theta\text{-}90^{\circ}$. Also, the labels (P1) to (P4) are not lined up on the right, (P2) needs to be under (P1), and for (P4), the left-hand bracket "(" obscures P.

The original article has been corrected.
