Publisher Correction: Considerations for first field trials of low-threshold gene drive for malaria vector control

John B. Connolly[1*], Austin Burt[1], George Christophides[2], Abdoulaye Diabate[3], Tibebu Habtewold[2,4], Penelope A. Hancock[5], Anthony A. James[6], Jonathan K. Kayondo[7], Dickson Wilson Lwetoijera[4], Alphaxard Manjurano[8], Andrew R. McKemey[1], Michael R. Santos[9], Nikolai Windbichler[2] and Filippo Randazzo[10]

Correction: Malaria Journal (2024) 23:156
https://doi.org/10.1186/s12936-024-04952-9

Following publication of the original article [1], it came to the journal's attention that there were errors in references to Figs. 2 and 3. Some references to Fig. 2 should have been a reference to Fig. 3, and vice versa. The article has since been updated to correct these errors. The publisher thanks you for reading this erratum and apologizes for any inconvenience caused.

Published online: 05 August 2024
