To: Carter, Ian

Dear Ian Carter

Permission is hereby granted for you to reproduce Figure 2 from KHL Key and MF Day (1954). A temperature-controlled physiological colour response in the grasshopper *Kosciuscola tristis* Sjöst. (Orthoptera: Acrididae). *Australian Journal of Zoology* 2(3) 309 – 339

in your thesis entitled 'An Experimental Study in the Variation of the Near-Circular Polarisation Properties in Scarabaeoidae Beetles' as described below.

This permission is subject to suitable acknowledgement to the source being made, either as a footnote or in the figure caption, as follows: 'Reproduced from Key and Day (1954), with permission from CSIRO Publishing'. The full reference details can be provided in the reference list at the end of the thesis.

Best wishes,

Brietta

Dr Brietta Pike

Dear CSIRO,

I am completing my PhD thesis at Imperial College London entitled 'An Experimental Study in the Variation of the Near-Circular Polarisation Properties in Scarabaeoidae Beetles'.

I seek your permission to reprint, in my thesis one Figure from: A temperature-controlled physiological colour response in the grasshopper *Kosciuscola tristis* Sjöst. (Orthoptera: Acrididae), KHL Key and MF

Day, Australian Journal of Zoology 2(3) 309 – 339, Published: 1954. The Figure to be reproduced is: Figure 2.

I would like to include the extract in my thesis which will be added to Spiral, Imperial's institutional repository <http://spiral.imperial.ac.uk/> and made available to the public under a [Creative Commons Attribution-NonCommercial-NoDerivs](#) licence.

If you are happy to grant me all the permissions requested, please return a signed copy of this letter. If you wish to grant only some of the permissions requested, please list these and then sign.

Yours sincerely,
Ian Carter

Permission granted for the use requested above:

I confirm that I am the copyright holder of the extract above and hereby give permission to include it in your thesis which will be made available, via the internet, for non-commercial purposes under the terms of the user licence.

[please edit the text above if you wish to grant more specific permission]
