Subject: RE: Permission to reuse figure for PhD thesis

Dear Ian Carter,

Thank you for contacting The Optical Society.

For the use of figure 2 from [1] M. Hernández-Jiménez, D. E. Azofeifa, E. Libby, C. Barboza-Aguilar, Á. Solís, L. Arce-Marenco, I. García-Aguilar, A. Hernández, and W. E. Vargas, "Qualitative correlation between structural chirality through the cuticle of *Chrysina aurigans* scarabs and left-handed circular polarization of the reflected light," *Opt. Mater. Express* 4, 2632-2645 (2014), and figure 2 from [2] E. G. Loewen, M. Nevière, and D. Maystre, "Grating efficiency theory as it applies to blazed and holographic gratings," *Appl. Opt.* 16, 2711-2721 (1977):

OSA considers your requested use of its copyrighted material to be Fair Use under United States Copyright Law. It is requested that a complete citation of the original material be included in any publication.

As your thesis will be under Creative Commons, we request the below credit lines be used adjacent to the appropriate OSA material.

"Reprinted from *Opt. Mater. Express* vol. 4, no. 12, pp. 2632-2645, 2014 under a CC BY license, with permission from OSA, original copyright 2014."

"Reprinted from *Appl. Opt.* vol. 16, no. 10, pp. 2711-2721, 1977 under a CC BY license, with permission from OSA, original copyright 1977."

Let me know if you have any questions.

Kind Regards,

Rebecca Robinson

Subject: Permission to reuse figure for PhD thesis

Dear OSA,

I am completing my PhD thesis at Imperial College London entitled 'An Experimental Study in the Variation of the Near-Circular Polarisation Properties in Scarabaeoidae Beetles'.

I seek your permission to reprint, in my thesis two Figures from: Loewen et al "Grating efficiency theory as it applies to blazed and holographic gratings" 10.1364/AO.16.002711, October 1977 / Vol. 16, No. 10 /APPLIED OPTICS. The Figure to be reproduced is: Figure 2

I would like to include the extract in my thesis which will be added to Spiral, Imperial's institutional repository <http://spiral.imperial.ac.uk/> and made available to the public under a [Creative Commons Attribution-NonCommercial-NoDerivs licence](#).

If you are happy to grant me all the permissions requested, please return a signed copy of this letter. If you wish to grant only some of the permissions requested, please list these and then sign.

Yours sincerely,

Ian Carter

Permission granted for the use requested above:

I confirm that I am the copyright holder of the extract above and hereby give permission to include it in your thesis which will be made available, via the internet, for non-commercial purposes under the terms of the user licence.

[please edit the text above if you wish to grant more specific permission]
