DECLARATION

- I grant to Imperial College a non-exclusive licence over the thesis presented by me in [*year*] for examination for the PhD/MPhil/EngD/MD(Res) degree of Imperial College on the terms of the College's E-thesis deposit licence[1], and I understand that under the terms of that licence:
  - I permit Imperial College to deposit a copy of my electronic thesis in Spiral*, where it will be made available under a Creative Commons Attribution-Non Commercial-No Derivatives licence[2] and, if required, on the National Thesis Service.
  - the College has the non-exclusive right to reproduce, translate and distribute my thesis worldwide in both print and electronic format in any medium;
  - I authorise the College authorities to copy the submission, or, without changing the content, translate it to any medium or format, for the purpose of security, back up and preservation
  - I authorise the College authorities to supply a copy of the abstract of my thesis for inclusion in any published list (hard copy or electronic) of theses offered for higher degrees in British universities.
  - I warrant that this authorisation does not, to the best of my belief, infringe the rights of any third party. I attach copies of all permission documents to my thesis. Where I have not been able to obtain the necessary rights or permissions for the inclusion of certain material in my thesis I hereby affirm that I have exercised my best endeavours to secure these and have appended copies of my letters/emails seeking these to the thesis.
  - I confirm that any third-party owned material included in my thesis is clearly identified and acknowledged within the text or content of the submission.
  - I confirm that if the submission is based upon work that has been sponsored or supported by an agency or organization other than Imperial College, I have fulfilled any right of review or other obligations required by such contract or agreement.
- I authorise that a print copy of my thesis shall, if a degree is awarded, be deposited in the Imperial College Library and that subject to the conditions set-out below, my thesis be made available for public reference, interlibrary loan and copying
- I authorise the College, or their designated agents, to use the digital copy of my thesis for the purposes of interlibrary loan and the supply of copies.
- I understand that before my thesis is made available for public reference and copying, the following statement will have been included at the beginning of my thesis:

  The copyright of this thesis rests with the author and is made available under a Creative Commons Attribution-Non Commercial-No Derivatives licence. Researchers are free to copy, distribute or transmit the thesis on the condition that they attribute it, that they do not use it for commercial purposes and that they do not alter, transform or build upon it. For any reuse or distribution, researchers must make clear to others the licence terms of this work.
- The thesis complies with the relevant word length specified in the College regulations.
- I understand that in the event of my thesis not being approved by the examiners, this declaration will become void.
