Thank you for agreeing to contribute to **IRCMB:NUCLEIC ACID SENSING AND IMMUNITY - PART A** (the "**Volume**") edited by **Claire Vanpouille-Box** (the "**Volume Editor**") to be included in the serial entitled INTERNATIONAL REVIEW OF CELL AND MOLECULAR BIOLOGY, which is being edited as a whole by Lorenzo Galluzzi (the "Serial Editor"). This Agreement between you (the "**Contributor**") and **Elsevier Inc.** (the "**Publisher**") regarding your contribution (the "**Contribution**") outlines the Contributor's and the Publisher's respective obligations and rights.

A. The Contributor agrees that the Contribution will be approximately **19,000** words (where one printed page contains approximately **430** words of text or **2** figures or **20** references),will conform to the Volume Editor's specific requirements as to content, level, style, and delivery requirements and be delivered no later than **1st September, 2018**; the Contribution and all required material (including abstract, key words and permissions) will also be delivered to the Volume Editor as soon as it is complete for "article in press" publication. The Contribution will go into production as soon as it is approved by the Volume Editor; once the production process is complete and the Contributor has approved the final proofs, the Contribution will be available on ScienceDirect. Upon approval of all the Contributions to this Volume, the Volume will be published in print and online version as a complete work. If requested, the Contributor also agrees to review proofs of the Contribution in the designated time period, making any necessary revisions and answering queries, to help ensure the accurate publication of the Contribution. The Contributor will keep one complete copy of the Contribution to ward against loss.

The Contributor shall also deliver with the manuscript the relevant illustrations (meaning photographs, multimedia content (if any), drawings, sketches, diagrams, charts, maps, tabular matter and any other accompanying material), along with captions for all such illustrations and the Contributor shall obtain the rights to use such Illustrations in the Contribution.

Please note that colour illustrations may appear in grey scale in the print version and may be reproduced in colour in the electronic version only. If the Contributor is submitting colour illustrations, please also provide a grey scale version for the print version of the Volume.

The Contributor shall also deliver with the manuscript an abstract of approximately 100-150 words of the Contribution to the Volume, and a list of approximately 5 - 10 keywords of the Contribution to the Volume all of which shall for purposes of this Agreement be included in the Contribution.

B. To facilitate publication of the Contribution, the Contributor assigns to the Publisher the copyright and all other rights in and to the Contribution. This assignment of rights means that the Contributor has given the Publisher the exclusive right to publish and reproduce the Contribution, or any part of the Contribution, in print and all other forms of media, in any edition, revision, or other form, in all languages, throughout the world, and the right to license others to do the same. The Publisher may list the Contributor's name and affiliation for credit, promotional and advertising purposes associated with the Contribution in such manner which, in the Publisher's judgment, fairly reflects the Contribution. The Publisher may, but the Publisher is under no obligation to request the Contributor's participation in any subsequent editions of the Volume, and the Publisher may use all or any of the Contribution in any such revisions and/or editions or in any other manner or form without additional compensation other than expressly provided in this Agreement.

C. As the author of the Contribution, the Contributor may publish a summary of the Contributor's original materials in the Contribution on the Contributor's personal or institution's website and may make copies of up to ten percent (10%) of the Contributor's original materials in the Contribution for the Contributor's classroom use. The Contributor also retains the right to draw upon the information and materials contained in the Contribution for the Contributor's continued professional and educational use,

such as for classroom and meeting lectures and in the preparation of journal articles or book chapters. The Publisher does, however, require that in all cases the Contributor appropriately cites the Volume and the Publisher as the copyright holder of the Contribution.

D. Upon publication of the Volume containing the Contribution, the Publisher will pay the *senior contributor* of each contribution an honorarium of Two Hundred Dollars ($200.00). The Publisher may require certain government tax forms as well as internal Publisher Payee forms to be completed prior to making any payments, and the Contributor agrees to complete and return any such forms as separately instructed.

The Publisher will provide each contributor with one (1) free electronic copy of the Volume. Each Contributor may purchase additional copies of the Volume, and other books published by the Publisher in print form (excluding the Publisher's Major Reference Works program) directly from the Publisher at a discount of thirty percent (30%), all for personal use and not for resale.

E. The Contributor confirms that the Contribution is original to the Contributor, has not been previously published *(except for the materials already published in previous editions of the Volume and third-party material that is either in the public domain or for which appropriate permission has been obtained)*, and the Contributor has the right to grant to the Publisher the rights described above; the Contributor confirms that the Contribution does not contain any material that infringes any third party rights or is harmful to the user. The Contributor also confirms that to the best of the Contributor's knowledge the Contribution contains no libelous, unlawful or otherwise actionable matter. Further, the Contributor also confirms that the Contributor is familiar with all applicable conflicts of interest and outside compensation laws and regulations as well as policies and rules of the Contributor's employer or institution (if applicable), and that the Contributor's acceptance of this appointment (including the acceptance of any complimentary copies of the Volume), and the terms of this Agreement and the Contributor's performance under this Agreement is and will be in compliance with those laws, regulations, policies and rules. If the Contributor and/or any of the co-contributors reside in Iran, Cuba, Sudan, Burma, Syria, or Crimea, the Contribution has been prepared in a personal, academic or research capacity and not as an official representative or otherwise on behalf of the relevant government.

F. Should any materials in the Contribution be the work of others, said materials must be properly credited, and the Contributor agrees to obtain and pay for any necessary grant of permission for use of others' materials, as well as any patient consents and releases. The Contributor shall also deliver with the manuscript a permissions log to be completed in accordance with the Contributor instructions provided by the Publisher together with copies of all the permission grant letters. The Publisher shall supply the Contributor with the permissions log template.

G. The Contributor represents and warrants that he/she has disclosed in writing to the Publisher all actual and potential competing interests, both financial and non-financial, if any in relation to the Contribution. (Examples of financial conflicts include employment, consultancies, stock ownership, honoraria, paid expert testimony, grants, patents or patent applications, and travel grants. Competing interests may also arise as a result of personal relationships, academic competition, and intellectual beliefs, such as political or religious beliefs.)

H. The Contributor authorizes use by the Publisher and its applicable affiliates, licensees and service providers worldwide of the Contributor's name, image, likeness, voice, biography, and professional affiliations (at the Publisher's discretion) for purposes of advertising, promoting and publicizing the Volume and all updates and derivatives thereof and the Contributor's contact details, including postal and email addresses, for purposes of communicating with the Contributor about the Volume and writing, reviewing, researching or contributing to other relevant projects with the Publisher.

I. If the Publisher decides not to proceed with publication of the Contribution, the Publisher will revert all rights to the Contributor. The Publisher reserves the right to revise the Contribution if required to render it suitable for publication, including the substitution of borrowed material.

J. The Contributor warrants that the Contributor has informed all of the co-contributors of the terms of this Agreement and that the Contributor is agreeing to the terms and conditions of the Contract on their behalf. Further, the Contributor represents that the Contributor is authorised to do so.
